Aidan Harte

The Warring States (The Wave Trilogy #2) Aidan Harte

Interzone raved that "Harte is a brilliant new voice in historical fantasy." In *The Warring States*, Aidan Harte continues his high fantasy adventure begun in *Irenicon*.

After the rout at Rasenna, Concord faces enemies on all fronts, and nobody believes that the last surviving Apprentice is equal to these crises--but Torbidda didn't become Apprentice by letting himself be manipulated.

While Sofia is struggling to understand her miraculous pregnancy, the City of Towers grows wealthy. But it's not long before the people of Rasenna start arguing again, and as the city falls apart once more, Sofia realises she must escape Etruria to save her baby. When prophecy leads her to another cesspit of treachery, the decadent Crusader kingdom of Oltremare, Sofia begins to despair, for this time she can see no way out.
