Vauclain's Shield John T Campbell

Hardliners have taken over the Russian government - democracy in Russia is dead and the Cold War has been restarted. In response Jon Vauclain and Kerry Enloe have invented the perfect missile defense system, knowing that if it is used, the system will stop everything entering U.S. airspace, including commercial aircraft. When Jon's family is killed in a plane crash caused by their missile defense, he and Kerry must confront that horror, as well as more nuclear threats, including a threat from inside the U.S. itself! Jon and Kerry race against time to prevent the devastation of both Russia and the United States.
