If you're ready to get serious about editing video, this best-selling, Apple-certified guide to Final Cut Pro is the best place to start. Master trainer Diana Weynand starts with basic video editing techniques and takes you all the way through Final Cut Pro's powerful advanced features, delivering comprehensive training--the equivalent of a five-day course--in one project-based book. Each chapter presents a complete lesson in an aspect of video editing and finishing, with hands-on projects for you to complete as you go. All the files you need are on the DVD-ROM. After getting acquainted with the software's interface, you'll learn how to mark and edit clips, insert and adjust edits, and work with clips on the timeline, before moving on to complex topics like creating transitions and motion effects, real-time color correcting, and titling techniques. Previously published as Final Cut Pro 4, this revision has been updated for the HD interface.

Publisher's Note If you previously purchased **Apple Pro Training Series: Final Cut Pro 4**, there is no need to purchase this revision: All the project files and exercises in the previous edition can be used with Final Cut Pro HD.
