I LIKE TO WATCH In the shadowed world of darkness there are few saviors. In the moments of pure hatred there is only evil. In the wake of death there is no rebirth. Our most precious dreams burn within the endless pits of hellfire, fodder for the demons and demented souls that prowl within the shadows where too few saviors roam. No grace is given to the sinner when hatred is pure and evil is allowed to bloom. In the wake of death there can be no rebirth. Tell me, what do you covet the most? Attending the hottest writer's conventions in the United States was a coup and one Alexa Strong was more than ready for – as well as indulging in an unbridled tryst with a fellow writer. Zane was not only the perfected boy, but a dazzling up and coming writer as well. Lost in the thoughts of what Zane might do to her, Alexa mouthed off to the wrong man while waiting to check in to the hotel. This chance encounter would shape the convention, indeed the rest of her life, in ways she never thought possible. Although she immediately detests the successful and pompous Thomas Moore she is thrust into sinful adventure, one that drags her into the darker side of sex. Attending this convention was sure to spark further interest and propel his burgeoning career to a new level. Zane Reynolds planned on not only making the most of the opportunities afford him as an author, but also the opportunity to dominate and devour the sinful Alexa Strong. This powerful and dogmatic woman needed to feel the sting of his hand, to be controlled, and to be forced to submit. His darkest desires would be fulfilled by this woman. When a chance encounter with bestselling Author Thomas Moore at the hotel bar promises to launch Zane's career, he is forced into a world beyond sex, beyond control, and beyond comprehension. Then something happened... It all starts with four simple words: I like to watch The inference is simple and the chance to prove his control to the powerful author simply too good to pass up. Zane begins his maddening decent into a place of such pure evil that he may never recover. Can Alexa pull Zane away from the very thing he covets most, or will the painful gift she hides from the world be the end of her? When true evil burns a raw desire into your very soul, be careful what you wish for...
