Veterinarian Holly Thompson accepts a temporary position in Comfort Crossing in an effort to escape all things Christmas. What she finds is a small town that embraces all things Christmas and a handsome neighbor with a small son who both capture her heart. Add to that their adorable pup, and she knows the holidays are not going to be what she planned. At all.

Steve Bergeron is quite content being a single father. He's not willing to risk his heart — or his son's — on another woman who is sure to leave them. It's quite clear Holly will be gone by the new year. But he finds himself willing to do anything to chase away the sadness that lurks in the depths of Holly's eyes. This isn't part of his carefully laid out plans. At all.

When an accident on Christmas Eve forces them both to question their choices, can the magic of the season warm their hearts and bring love and joy back into their lives?

Comfort Crossing is a series of sweet romances. Jenny, Bella, Becky Lee, and their friends and families navigate the heartaches and triumphs of love and life in the small southern town of Comfort Crossing, Mississippi.
