The most global approach to world history, now more streamlined and accessible.

Worlds Together, Worlds Apart is organized around major world history stories and themes: the emergence of cities, the building of the Silk Road, the spread of major religions, the spread of the Black Death, the Age of Exploration, alternatives to 19th-century capitalism, the rise of modern nation-states and empires, and more. In the Third Edition, the text has been compressed and streamlined to heighten emphasis on world history stories and themes throughout.
