**A New Napa Cuisine** Christopher Kostow

**This debut cookbook by Chef Christopher Kostow of The Restaurant at Meadowood discusses the transformative effect that The Napa Valley has had on his perception of cooking and craft.** Through thoughtful essays, curated recipes and stunning photography, *A New Napa Cuisine* details the relationships and collaborations that exemplify a "new Napa"--one full of dynamism, youth and promise.

*A New Napa Cuisine* follows Kostow's journey from summer jobs at a Chicago-area music festival to helming a three-Michelin-starred restaurant that the *Wall Street Journal* recently praised as a "temple of modern American cuisine." The book celebrates the local artisans, products, growers, and wilds that have played a role in the creation of a nascent style of cooking specific to this small American valley. Through tales of designing china with local ceramicists or discovering wild edibles along the creek while walking his dog; planting seeds both literal and figurative--Kostow's story is a personal and engaging one.
