After a near death experience, Michelle has vowed to do her job, magical assistance for the police, and leave the heroics to someone else. Besides, life should be settling down for her since the trolls have been captured and the sorceress was neutralized. Unfortunately, the power behind the sorceress wants her dead, Elron starts acting funny, a magical creature wreaks havoc on a town, and there's trouble with the werewolves. As if that wasn't enough, the clans have started to notice her power and she has more reasons than ever to fear the clans.

Things go from bad to worse when Michelle's best friend is abducted, and she must decide between her friend and her vow to stay out of dangerous situations.

A Witch's Path is the sequel to Witch for Hire and continues the story of Michelle and Elron.
