# Problem Solving with the Private Sector: A Public Solutions Handbook (The Public Solutions Handbook Series)

## Problem Solving with the Private Sector: A Public Solutions Handbook (The Public Solutions Handbook Series)

*Problem Solving with the Private Sector* presents advice and solutions for fruitful government-business alliances from the perspective of everyday public management. With a focus on job training, economic development, regulation, and finance and innovation, each chapter discusses a traditional tool of government presented in a more practical and applied manner, as well as the implementation of these tools with clear examples. Content-rich case studies on a wide range of policy issues, including regulatory policy, natural resources, manufacturing, financial services, and health care highlight opportunities that exist for government and business to collaborate to pursue the public good.

This book offers current and future public managers possible solutions to complex problems for conducive government-business alliances in a range of settings, and is essential reading for all those studying public management, public administration, and public policy.
