Haylee Tremayne is tired of the road. The concert tour for Three of Hearts was a success, but she's confused by the inexplicable tension between her bandmates, Ben and Lucas. She's also ready to go home to her boyfriend in Nashville. Time off would probably help everyone relax, even if it is Christmas, a season with too many bad memories.

But right before their last concert, Haylee discovers she's been dumped for a sexy girly-girl. Story of her life: all guys see is tomboy Haylee. At the after-concert party, she drowns her sorrows and — desperate to feel feminine for once in her life — asks Ben and Lucas for a threesome. And it's just as sexy and fun as she hoped.

Back in Nashville, Ben and Lucas prove again and again that their first night wasn't a mistake. But the tension between them is still high, and on Christmas Eve, their ménage takes a stunning turn. When it all falls apart, Haylee is terrified that their crazy relationship might cost them the band, their success, and worst of all, each other.
