Mr. Hottie Pants isn't the cover model Miranda assumed he was...

Miranda Rose lives for writing passionate, heart-wrenching romances. Unfortunately...there aren't many readers that live for her books.

So every night, Miranda distracts herself from bad reviews by drunk-trolling her arch nemesis, writer Charlie Shivers, online. That click-baiting, dinosaur-smut peddler wouldn't know real literature if it mounted him from behind!

Then, at her favorite romance writing conference, Miranda meets the world's hottest guy and finds a new--ahem, sexier--way of distracting herself (and plenty of new material for her novels).

Except Mr. Hottie Pants isn't the cover model she'd presumed--he's her archenemy in the (naked) flesh, Charlie Shivers! To her surprise, sleeping with the enemy is kind of hot.
And scandalous.
And awesome.

But when she finds herself falling for the upstart hack of a novelist, she's pretty sure there's no way in hell that she'll make it out on top.

From reader reviews:

Rachel Glidewell:

Have you spare time for just a day? What do you do when you have more or little spare time? Yep, you can choose the suitable activity for spend your time. Any person spent their very own spare time to take a go walking, shopping, or went to the Mall. How about open or maybe read a book titled Topped? Maybe it is being best activity for you. You already know beside you can spend your time along with your favorite's book, you can cleverer than before. Do you agree with it is opinion or you have different opinion?

Martin Song:

Here thing why this particular Topped are different and reliable to be yours. First of all looking at a book is good however it depends in the content than it which is the content is as delightful as food or not. Topped giving you information deeper and in different ways, you can find any book out there but there is no guide that similar with Topped. It gives you thrill reading journey, its open up your eyes about the thing which happened in the world which is possibly can be happened around you. You can easily bring everywhere like in playground, café, or even in your means home by train. When you are having difficulties in bringing the imprinted book maybe the form of Topped in e-book can be your alternate.

Michele Williams:

Topped can be one of your beginner books that are good idea. Most of us recommend that straight away because this guide has good vocabulary that may increase your knowledge in vocabulary, easy to understand, bit entertaining but nevertheless delivering the information. The author giving his/her effort to place every word into pleasure arrangement in writing Topped although doesn't forget the main point, giving the reader the hottest and based confirm resource facts that maybe you can be certainly one of it. This great information can certainly drawn you into fresh stage of crucial thinking.

Kay Davidson:

Reading a publication make you to get more knowledge from the jawhorse. You can take knowledge and information from a book. Book is composed or printed or descriptive from each source that will filled update of news. On this modern era like today, many ways to get information are available for a person. From media social including newspaper, magazines, science guide, encyclopedia, reference book, story and comic. You can add your knowledge by that book. Ready to spend your spare time to open your book? Or just in search of the Topped when you necessary it?
