The *Worship & Song* Pew Edition contains music sung by the congregation. Hymns and songs intended to be sung in unison are printed with the melody only, while those intended to be sung in harmony are printed in parts. Most solo parts are included in this edition.

*The Faith We Sing* was published in December 2000 and has now sold more than 1 million pew copies to more than 3,000 churches. Since that publication date, much new music has been written for congregational worship. This follow-up is available in six editions: Music Pew Edition, Leader's Edition, Singer's Edition, Accompaniment Edition, Worship Resources Edition and Presentation Edition.

*Worship & Song* distinguishes itself from *The Faith We Sing* because it contains services, acts of worship, and other worship resources.
