A Kings Story The Memoirs of the Duke of Windsor Duke of Windsor H.R.H. Edward

At long last the man who has become a legendary figure of romance in his own time speaks out. The Duke of Windsor has said that "reticence is a rule of constitutional princes not lightly put aside, but the desire to be heard can be as strong in kings as in other men. My reign ended in faction and controversy. My side of that story has until now been unheard. As the years went by, and error and supposition multiplied, it became more and more plain that it was my duty to history to put down the facts as I know them."
