**THE AMERICAN:** At thirty-three, Ryan Kealey has achieved more in his military and CIA career than most men can dream of in a lifetime. He's also seen the worst life has to offer and is lucky to have survived it. But being left alone with his demons is no longer an option. The CIA needs him badly, because the enemy they're facing is former U.S. soldier Jason March. Ryan knows all about March – he trained him. Teaming up with beautiful and tenacious British-born agent Naomi Kharmai, Ryan intends to break every rule in order to hunt down his former pupil.

While his work is brilliant, he's considered damaged goods. Now he's about to become a key player in a plot of unimaginable scale. For something big is about to go down in New York City. With only his ally, London's newest assistant chief, Naomi Kharmai, by his side, Ryan will have to operate outside the lines in order to prevent a terrible attack in a city on lockdown.

**THE INVISIBLE:** For more than a decade, Ryan Kealey has been a key player in the war on terror. First, as a captain in the U.S. Army's third Special Forces Group, then as a contract operative with the CIA. His actions have saved thousands of lives, including that of the U.S. President. Now once again, Kealey receives the call of duty - only this time, the odds for success are slim to none...
