The wisdom found in God's Word is timeless, as relevant today as when it was first written. And the challenge for believers remains unchanged: how do we apply these truths to our everyday world?

The Applied Commentary series is a fresh approach to Bible study, connecting great wisdom with your life today. Each Scripture passage is enhanced with insights on key themes and ideas. Featured articles provide a deeper look at essential concepts, while the contemporary language allows for easy reading. And because some subjects are open to interpretation for discussion, we've included perspectives from leading theologians from all backgrounds and denominations. The result?

An interactive approach to Scripture that will challenge your ideas and build your faith—which is what reading the Bible is all about.
