Song of the Crow

Layne Maheu

Song of the Crow Layne Maheu

From the moment that he looks down on the ancient gray head of Noah, who is swinging his stone axe, the narrating crow in this unique and remarkable epic knows that these creators called Man are trouble. He senses, too, that the natural order of things is about to change.

At a time when so many of us are searching for meaning, Layne Maheu's debut novel lingers in a masterfully rendered ancient world just long enough to ponder our fears of disaster and to watch as humanity struggles to survive, to understand, and finally to prevail.

Recalling both the magical imagination of Richard Adams's *Watership Down* and the spiritual richness of Anita Diamant's *The Red Tent*, *Song of the Crow* is a soaring debut.
