An Action-Packed BWWM Billionaire Romance

This is a full-length novel with no cliffhangers

Dorian Kingston is every girl's dream. Well built, wealthy, British, in charge of himself and all the people around him, too. Of course, he's also being targeted by a crime syndicate hell bent on collecting on an old debt and getting Dorian's father's money or killing him in the process. Probably both.

Andrea Samuel has never even heard of Dorian Kingston, but when his former security team proves to be untrustworthy, her brother Benjamin is put in charge of forming an all new team for the wealthy man. He has to live on the grounds of Dorian's absurdly large manor house, and his one request is that his sister be able to live with him, keeping her safe from their emotionally abusive alcoholic mother.

Ben and Dorian have a professional relationship, but Andrea is taken with him instantly. He's charming, funny, and an amazing cook, and in between attempts on his life, they manage to start something hot and heavy. Neither of them are used to things like this and it's been ages since either of them has tried to be in a relationship. Not to mention it's dangerous when Dorian has so much to lose, but she can't stay away, no matter how dangerous it gets.
