## Dante's Broken Hammer Graham Harman

It is well known that Dante's poetic works interpret love as the moving force of the universe: as embodied in his muse Beatrice from *La Vita Nuova* onward, as well as the much holier persons inhabiting *Paradiso*. Likewise, if love is the ultimate form of sincerity, it is easy to interpret the *Inferno* as a brilliant counterpoint of anti-sincerity, governed by fraud and blasphemy along with the innocuous form of fraud known as humour (strangely absent from all parts of Dante's *cosmos* other than hell). In turn, the middle ground of *Purgatorio* is where Harman locates Dante's clearest theory of sincerity. Yet this is only the beginning. For while Dante provides a suitable background for the metaphysics of commitment found in such later thinkers as Pascal, Kierkegaard, Sartre, and Badiou, he also provides even more important resources for overcoming two centuries of philosophy shaped by Immanuel Kant.
