Whether fire or EMS, career or volunteer, training on the Incident Command System structure is necessary for the most effective incident operation. Integrating the EMS provider into the ICS structure is vital to ensure that ICS positions are filled by the appropriate individuals.

Written for EMS supervisors and shift supervisors, paramedics, and lieutenants, Incident Command for EMS looks in detail at the overall ICS structure, specifically the positions related to the EMS provider, and uses scenarios to ensure that readers understand the application of ICS principles for every response, from the single patient to the mass casualty incident.
