Why do women excel at bitching? And are there ways to do it well?

In this unique and entertaining book, Kate Figes explores girtalk, the way bitching erupts amongst teenage girls, the tenacity of female stereotypes as well as essential guidance on being the best kind of bitch - strong and self-assured rather than the bitch that needs to put other women down to feel stronger. Packed with witty anecdote, etiquette, interviews and contributions from strong bitches such as Kathy Lette, Wendy Holden and Virginia Ironside this is a must read for all women on the most delicious, yet dangerous of verbal art forms.
