Nia Samuels and Ryan Zaseman have been dating since their junior year in high school but they had been best friends in the years before. Nia is in band in high school and college and will run her dad's company after college and major in business while Ryan majors in industrial engineering and wants to open his own company. Ryan also played lacrosse in high school and got an academic athlete's scholarship at Texas A&M to play for them. Ryan and Nia both graduate together and attend Texas A&M together.

Ryan and Nia lived in an apartment together all through college and planned to get married post-graduation. Ryan receives a job for an international company. What he did not know was that the company's main office where he was hired to work is overseas in Germany. Nia cannot leave because she has to run her dad's company and Ryan could not bring anyone with him to an offshore location.

CLAIMED BY THE ALPHA BILLIONAIRE BOSS

Emily is a twenty-five year old who becomes a single mother and divorcee when her husband divorces her because her family's company goes bankrupt. She has to find a job to support herself and her daughter.

Her life changes when she finds a job at a well established technology company as a secretary to a cold stern billionaire; Jason Pierce. He is unfriendly, a perfectionist and he does not tolerate much. He gives Emily a hard time but that does not scare her off. She is determined to keep her job, even if she does not like her boss. Her dislike for him turns into curiosity. She is curious about him. She wants to know why he is the way he is. Her inquisition almost costs her job but she does not give up.

Sexual tension builds up between the two of them and they both finally give in. As they continue to work with each, their attraction towards each other becomes stronger and irresistible even though they dislike each other.
