Would you risk everything to save your world? Alyssa cannot see: She is forced to reveal herself and her unique ability to the world, not knowing that an army marches towards Lunden to destroy her. Eva cannot speak: She hunts evil in Manhattan, to find answers about her past. When horror roams the empty streets, she realises she has become the prey. Verona cannot walk: She is part of a mission, mankind's best hope of survival. But 20,000 kilometres above the planet, she unearths a plot beyond her worst nightmare. All three 16-year-olds are connected; through their dreams, through their special gifts, and through the mysterious woman who must bring them together to defeat an ancient enemy that threatens all worlds.
