## **The Nightrunners** Joe R. Lansdale

In the field of country noir--the dark side of rural and small-town America--Lansdale staked his claim to East Texas with *The Nightrunners*. A '66 Chevy bears down on the countryside, with a carful of vicious teenagers and evil of Biblical proportions, in this terrifying morality tale of sex and violence. Here's what Publishers Weekly just said in its starred review: "Lansdale's *The Nightrunners* (1987)...set new standards for the depiction of graphic violence and is probably the best novel of its type between *Psycho* and *The Silence of the Lambs* ... This upsetting look at the human capacity for evil breaks with crime novel conventions when a supernatural element enters the story in the form of the grotesque deity known as the God of All Things Sharp...*The Nightrunners* retains its ability to awe and to horrify."
