How can you become a woman of God? Leading you through a series of studies drawn from Old and New Testament passages, Bunch offers Scripture as the best guide to help you develop the traits of a godly woman. She includes sessions on how to be strong, trustworthy, wise, resourceful, forgiving, beautiful, content, confident--and how to claim God's grace when you fall short. This LifeGuide Bible Study in IVP's revised format features questions for starting group discussions and for meeting God in personal reflection, as well as a new "Now or Later" section following each session to help you act on what you learn.
