Mobile Mac Superguide The Editors at Macworld

The team of experts at Macworld has used its encyclopedic Apple knowledge to create the essential guide to being a mobile Mac user. Whether you're using a MacBook, MacBook Pro, MacBook Air, iPhone, or iPod touch, this book makes it easy for you to stay on the ball while on the road.

First, a review of the Apple available mobile devices to help you decide which system best suits your lifestyle and budget. Next, the top software options for road warriors, including essential utilities and apps to make your iPhone work-ready. Plus, all the ways you can connect to the Internet when you're on the road, and the best techniques for accessing your files from afar. Our chapter on security has everything you'll need to prevent thieves from stealing your laptop or mobile device and for keeping your data safe from snoops. Prevent more worst-case scenarios with the chapter on troubleshooting, which teaches you how to solve common problems as well as the best ways to back up your data. Finally, we share our top-rated mobile accessories on the market, including some must-have gadgets you didn't know you were missing.

Whether you're a telecommuter, a student, or just a frequent traveler, don't leave home without reading this book first.

From reader reviews:

Alberta Sanchez:

In this 21st one hundred year, people become competitive in most way. By being competitive currently, people have to do something to make these people survive, being in the middle of the actual crowded place and notice simply by surrounding. One thing that oftentimes many people have underestimated that for a while is reading. That's why, by reading a guide your ability to survive improves then having chance to stand up than other is high. To suit your needs who want to start reading any book, we give you this kind of Mobile Mac Superguide book as beginning and daily reading guide. Why, because this book is usually more than just a book.

Jenny Dill:

Reading a publication can be one of a lot of pastime that everyone in the world adores. Do you like reading book and so. There are a lot of reasons why people are fantastic. First reading a reserve will give you a lot of new facts. When you read a book you will get new information since book is one of various ways to share the information as well as their idea. Second, reading through a book will make a person more imaginative. When you study a book especially fictional book the author will bring you to definitely imagine the story how the characters do it anything. Third, you can share your knowledge to other folks. When you read this Mobile Mac Superguide, it is possible to tell your family, friends along with soon about your reserve. Your knowledge can inspire different ones, make them reading a publication.

Boris Hansen:

This Mobile Mac Superguide is great reserve for you because the content which can be full of information for you who else always deal with world and possess to make decision every minute. That book reveals it details accurately using great organized word or we can say no rambling sentences inside. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but difficult core information with beautiful delivering sentences. Having Mobile Mac Superguide in your hand like having the world in your arm, details in it is not ridiculous one particular. We can say that no publication that offers you world in ten or fifteen seconds right but this reserve already does that. So, this is good reading book. Hello Mr. and Mrs. stressful do you still doubt that will?

Anthony Alfaro:

Is it you who having spare time after that spend it whole day through watching television programs or just lying on the bed? Do you need something new? This Mobile Mac Superguide can be the reply, oh how comes? The new book you know. You are thus out of date, spending your time by reading in this completely new era is common not a nerd activity. So what these books have than the others?
