Raven and River Nancy White Carlstrom

Raven and River leads young readers on a fantastical journey with a raven across the icy Alaska landscape on the verge of spring. Along the way, the raven's sonorous cry wakes a cast of sleeping woodland creatures, including a bear, a beaver, a hare, and a squirrel—all of whom join him in imploring the still-frozen river to melt and thereby initiate the change of seasons. Packed with information and featuring vibrant full-color illustrations by Jon Van Zyle, *Raven and River* brings to life these two important harbingers of Alaska's spring.
