## Vintage British Shotguns: A Shooting Sportsman Guide [Hardcover] [2008] 1 Ed. Terry Wieland

Terry Wieland

This authoritative guide to British-made shotguns looks at individual makers, their products, and the selling points of particular guns. In some cases Wieland also notes negative points or product limitations. While the book will be welcomed by gun collectors worldwide, it is particularly useful to those who are curious about British makers whose production was or is substantial enough that their guns would have crossed the pond into North America.
