Walt Disney's Mickey and the Gang: Classic Stories in Verse David Gerstein

- A complete collection of beautifully rendered Disney art, graphically depicting both produced and non-produced Disney cartoon shorts from the 1930s and 1940s. These story ad pages were utilized by Disney in *Good Housekeeping Magazine* to both promote their cartoons and to act as springboards for other merchandising. This handsome coffee-table book collects all of those ad pages and matches them up with many examples of the other material that sprang from them.
