Here's a simple, four-step plan that works in every area of life: money, health, relationships, spirituality, and more. What if you could have everything you want by using just four simple, guaranteed steps? Step 1: Identify what you DON'T want. Step 2: From that, identify what you DO want. Step 3: Get into the feeling of what you want. Step 4: Expect, listen, and allow it to happen. Why does this plan work where so many others fail?
