*Look Closer: Ocean* is a groundbreaking visual reference book promising an amazing new experience for readers: with each turn of the page, the underwater viewpoint changes. Children will explore different perspectives of incredible underwater scenes as they zoom in, zoom out, and go sideways, forward, and backward. Through this innovative visual technique, readers are kept constantly engaged, and invited to consider the connections between different aspects of their worlds. Specially commissioned computer-generated imagery will ensure this is one aquatic adventure young readers won't want to miss!
