This book is a continuation of a little girl named Tavie who lived with her mom. If you have read Tavie's Ten minute story time, you will be able to see and understand the emotions of a preschool child who is transitioning to a kindergarten classroom. You will be able to understand how this experience can be frightening as well as enlightening for a mom and the child. I do hope that my readers will continue to follow the story about Tavie through her educational and transitioning experiences. Gardenia Gresham, MAed/CT, Author Illustrated by: Stephanie Ugalde Copyright: July 2013
