The Release of the Spirit Watchman Nee

Anyone who serves God will discover sooner or later that the great hindrances he has in the Lord's work is not others but himself. He will discover that his outward man (soul) is not in harmony with his inward man (spirit). Both tend to go toward two opposite directions from each other. He will also sense the inability of his outward man to submit to the inner control of his regenerated spirit. His greatest difficulty lies in his outward man, which hinders him from using his spirit. Each one of us has as much of the same "Jacob nature" in us. Our only hope is that the Lord may blaze a way out of us, breaking our outward man - breaking it to such a degree that the inward man may come out and be seen. This is precious! This is the way to serve the Lord.
