## **These are truly the Last Days** Con O'Callaghan

Anton Delaney has been living in his mother's cottage in the wilds of North Kerry for the guts of eight years. Secluded here, he buries himself in his work and tries to forget the secret he carries from another time, another place. The rest of his days are spent listening to Pure X records and drinking 12-year-old Jameson with his buddy Kess and the shy but charming Megan.

But the world in which Anton and Kess and Megan live is not the same as ours. The sky is altered. The night is changed.

Set in an alternate reality, *These are truly the Last Days* blends elements of science fiction, references to myth, the music of Pure X and Hank Snow, and the spirit of Klaus Kinski.
