Looking for a superb field guide to wildflowers of the mountain regions of the Eastern United States? Nature photographer Tom Gold Knight has put together a stunning collection of wildflowers especially for ereaders such as the Nook Color. This field guide is unique because it includes many pollinators which are critical for wildflowers to survive and flourish. Also included are many images of the leaves of the wildflower plants. These photographs of wildflower leaves are very helpful for plant identification. Each wildflower photograph comes with information about its size, usual locations where it might be found and time of year it normally flowers. Use your ereader to explore and identify nature's wild flowering plants. This is a great addition to your collection.
