15 Realistic Tests for the SAT Math Level 1 Subject Test (formerly known as Math Level 1C) Rusen Meylani

This book is the extended and revised second edition of our book "10 Realistic SAT II Math IC Test Booklets". Previously we had given the solutions on the internet; now we have also published the solutions. SAT Math Level 1 Subject Test was previously known as the SAT II Math IC test. This book is specifically designed to provide an SAT bound student with a good practice on SAT Math Level 1 Subject Test (formerly known as SAT 2 Math Level 1C). The latest trends have been observed to come up with accuracy. We have however been careful to make our tests slightly harder than the actual test. Other than that each of our 15 tests are very close to what a student may encounter on the test day. This book contains 15 full length model practice tests that simulate the SAT Math Level 1 subject test. Each test is up to date and true to life reflecting the latest question types. The tests come with answers and solutions along with two additional chapters, one on the description of the real test and the other on the most effective graphing calculator techniques to make a student's life easier on the real test. The model tests have been produced in a course of 5 years by a perfect scorer team; therefore they are very useful for diagnosing weaknesses and getting more questions right; therefore this book promises a higher score for the ones who use it.
