Satan: His Personality, Power, and Overthrow Edward McKendree Bounds

The gates of hell shall not prevail against the Church. This promise of our Lord stands against every Satanic device and assault. But this immutable word as to the glorious outcome does not protect the Church from the devil's stratagems which may, and often do, pervert the aims of the Church and postpone the day of its final triumph. There are signs everywhere, unmistakable and of dire import that Protestantism has been blinded and caught by Satan's dazzling glare. There can be no question that we've got an enemy who seeks to subvert and undermine the work of Christ in us and through us at every turn. We must be watchful and alert to the schemes of Satan against us, in order that we may know how to effectively defend against them. This book is full of Scripture, and will doubtless be eye-opening for any honest seeker for truth.
