"The Grandparent Solution" is a groundbreaking book that gives you the tools you need to build a "family team"3/4the optimum family arrangement that offers your children loving support from their grandparents and gives you (busy and stressed-out parents) the practical and emotional support to do the best job possible. Based on more than thirty years of medical research, the book reveals how to overcome common barriers to creating your family team and offers specific guidelines and techniques to deal effectively with the many challenges you will face along the way. Dr. Kornhaber also stresses the importance of personal attitudes and values, of drawing the line between love and intrusiveness, and devotes special attention to help you find the appropriate degree of involvement for grandparents in helping you raise your child.
