When faced with setbacks, failures, loss, even the death of a loved one - especially a child - many Christians are left with difficult questions and a challenge to stand strong in their faith. In adversity, Christians are quick to send out an "S.O.S" for deliverance from crisis and they run for cover looking for God miraculously to respond, only to hear silence. This book is a unique invitation to learn how to see and experience God in the midst of pain, sense His presence in the fire and come to trust Him in the lions' den even in the face of death. There is a party in the pit...and YOU are invited!
