How to Be Your Own Boss: Dream It, Dare It, Do It: The Story of My Journey to Success and Changing My Life (How to Be Successful) Diana Quirk

Tired of the rat-race? Working for bosses that take the credit for your hard work? If your dream has been to be your own boss, have your own business, be an entrepreneur, work from home, or make a career change, then this book will show you how to be successful in creating a new path for yourself in life and business.

If you don't know what it is you want to do or what kind of business you want to build, How to be Your Own Boss will help you identify the strengths you already have and use them to launch you into success. If you're tired of being constantly frustrated and always feeling powerless, this book will help you live your life on your own terms.

How to be Your Own Boss book shows you how you CAN make your dreams come true with a good plan, lots of determination, and belief in yourself. After reading this book, you will be able to develop a solid strategy to break out of the unrewarding tedium of your daily rut and fulfill your dream of having your own business. You will put it down feeling empowered and hopeful; ready to start building a new life with a sound plan and renewed motivation.

For those of you who have also always dreamed of working from home, but are discouraged by the number of low-paying and often fraudulent "work-from-home" jobs you see advertised on the internet, this book will give you the encouragement that you can instead establish your own credible, reputable business working from home.

From making false starts to landing the first contract, How to Be Your Own Boss will walk you through the steps on a journey to self-fulfillment. How to manage false starts, getting back-on-track after the false starts(!), and succeeding in school are just some of the topics explored in this fascinating story of one person's decision to change her life drastically. You will read tips on how you can find work and set up your new venture—and learn the essentials of complying with the many regulations governing small businesses. Sections on the ins-and-outs of managing time and working successfully with others will provide you with valuable strategies for staying sane and dealing with the many different types of people you'll be working with.

After several years' success with her own instructional design company, working for herself from the comfort of her own home, the author wants to show other people with a similar dream that it really can be done. This book tells her story of putting a plan together, taking a risk, and believing in herself. In it, she shares with you her lessons learned so that you too can stop dreaming, and start doing.
