## **Last Call** Sean Costello

In the space of a single day, twenty year old Trish West purchases her first car, gets accepted into veterinary college, and finds her rock star father, Jim Gamble, a man who vanished into the streets before she was born and now clings to life in a Toronto intensive care unit. Eager to establish a relationship with Mr. Gamble, Trish heads out from her Northern Ontario home that very day to stand at his bedside. But along the way, she crosses paths with a man who will upend her life and the lives of everyone she cares about. Meet Bobcat, a savage serial killer christened The Dentist by the press, a deranged trophy hunter who sees Trish as the ultimate prize. Last Call is a story of lost innocence, sociopathic obsession and moral redemption that is certain to haunt you long after you've read the last page.

### **From reader reviews:**

#### **Maria Vanness:**

Information is provisions for folks to get better life, information these days can get by anyone in everywhere. The information can be a knowledge or any news even restricted. What people must be consider if those information which is from the former life are hard to be find than now could be taking seriously which one is acceptable to believe or which one the resource are convinced. If you have the unstable resource then you get it as your main information you will have huge disadvantage for you. All those possibilities will not happen inside you if you take Last Call as your daily resource information.

#### **Novella Tinch:**

Many people spending their time period by playing outside having friends, fun activity with family or just watching TV all day every day. You can have new activity to invest your whole day by reading through a book. Ugh, do you consider reading a book can really hard because you have to accept the book everywhere? It all right you can have the e-book, taking everywhere you want in your Touch screen phone. Like Last Call which is keeping the e-book version. So , try out this book? Let's see.

#### **Kathy Ahmed:**

In this particular era which is the greater person or who has ability to do something more are more important than other. Do you want to become considered one of it?
