What if your favorite reality star became a zombie? A small town near Austin, Texas gets the shock of a lifetime when ravishing Hollywood reality star Luci LeMond pays a visit. But she also leaves behind a trail of gruesome deaths after she's exposed to a virally botched formula of her own No Résistance perfume. J Garcia, a passed-around, somewhat orphaned military brat, discovers that his wild prophetic dreams are about to come true—zombies are real! And they aren't the slow walkers of TV and movies; these killers are lethal-fast. Luci and her victims have surprise skills and motivation to feed and feed—they have to stop their beautiful assets, their faces and bodies, from deteriorating. J stumbles upon their secret and enlists the help of his ancient Uncle Charlie, a beer-guzzling former Green Beret and a band of fellow high school outcasts. But time is running out. Zombieggedon is near.
