Raber Wolf Pack Book Two (Volume 2) Ryan Michele

"There will come a time in our world when greed, power, and wealth will overrule good judgment, and packs will be destroyed." In the blink of an eye, everything can change, altering life as we know it forever. Kenly's intuition told her not to go, but she didn't listen. Being human, Kenly never had contact with the wolves that lived in Lakeside. One night changes that in a horrific way, opening her eyes to all of the secrets hidden from her over the years. One night opens doors she never realized existed, transforming her entire world. As Beta of the Raber Wolf Pack, Max is always in control, until one mission leads him to a bleeding woman in an alley. Max instantly scents Kenly as his mate, creating tension within the pack and unleashing consequences that he doesn't know how to contain. Will Max be able to pull her through the upcoming events? If Kenly survives, will she return to her human life and leave Max behind?
