## **Random Thoughts** Vandana Sinha

The book RANDOM THOUGHTS is a compilation of write-ups, on those aspects of life I have felt and feel strongly about. Nostalgic reflections as I move down memory lane, reminiscing about the bygone days, sometimes with childish glee, sometimes with remorse and at other times with a hopeful hope. The writings likewise are a smooth blend of the past merging into the present and vice-versa. I write with candour, which most oft than not verges on to bluntness since I write straight from the heart, a sort of umbilical connect betwixt my thoughts and words. Words have an intangible power of coming alive, like a painting on a canvas, making the reader get lost amidst their folds. Random Thoughts I hope will give respite to the readers from the day-to-day stresses of life as they will traverse through the journey of my life with a keen involvement and interest. The writings were penned betwixt May 2012 and March 2014. Thank you.
