Schubert, often considered master of the piano duet form, created two classics in the F minor Fantasie and the B-flat Sonata for piano duet. These two magnificent pieces are cornerstones of the duet literature. This edition presents the recorded secondo piano part—you supply the primo part of this beautiful sonata. (Both parts are supplied in the included printed music score)

Includes complete printed music score with both primo and secondo piano parts, and a compact disc featuring the duets in minus primo format: the secondo part is recorded, and you play the primo part.
