Transcend all limitations and find true contentment and inner peace through A Course In Miracles

Imagine a life based on forgiveness of self and others ... a life based on shedding fear and accepting love ... resulting in a life of true inner peace.

That's precisely what thousands of people are attaining through the study of this internationally recognized day-by-day self-study program. A unique blend of psychology, Christianity and Eastern philosophy, A Course In Miracles® focuses on the practical application of the power of forgiveness and guides you to the peace of mind we all seek.

In this enlightening program, you'll discover why forgiveness is the key to universal happiness ... why love depends on your willingness to give, rather than your desire to receive ... why changing the way you see the world works better than trying to change the world itself ... and why service is necessary for personal fulfillment.

A Course In Miracles® was first published in 1975 by the Foundation of Inner Peace. Today, there are many autonomous centers where people gather to study its philosophy. Each year, new students begin using this powerful and timeless philosophy to help them bring strength and forgiveness into their lives and into the world - proof positive that these methods and concepts work.

With consistent application of A Course In Miracles® concepts and committed use of its thought system, one can begin to see that miracles are natural and can happen to anyone. You'll discover another way to look at the world, and you will realize that judgment, fear, guilt, and anger can be released from your life. In their place, you can substitute unconditional love.
