H. Rider Haggard, Harrison Fisher

Ayesha, the Return of She is a gothic-fantasy novel by the popular Victorian author H. Rider Haggard, published in 1905, as a sequel to his far more popular and well known novel, She. It was serialised in the Windsor Magazine in 1904-5. Its significance was recognised by its republication by the Newcastle Publishing Company as the fourteenth volume of the celebrated Newcastle Forgotten Fantasy Library series in October 1977. In this sequel to She, Horace Holly & his ward Leo Vincey once again embark on a quest to find the mysterious woman known as Ayesha. Knowing that She is no longer in Africa, they go east, eventually reaching a lamasery in the mountains of Tibet. The abbot warns them against continuing, but they press on & discover an ancient city named Kaloon, which is ruled by the evil Khan Rassen & his imperious wife, the Khania Atene. Near the city is a huge volcano, wherein lives the Hesea, the Priestess of Hes, & her servants. Leo becomes the center of a conflict between Atene & the Hesea, both of whom desire him.

Harrison Fisher (July 27, 1875 or 1877 – January 19, 1934) was an American illustrator.
