Piper Reilly is in trouble. She needs a cash infusion, and she's just left a scorching hot man in Florida to get her life in Colorado back on track. Then her surfside one-night-stand turns out to be her new boss, billionaire Matt DeLeo, with an offer she can't refuse - agree to be the face of his brewery's newest concoction or lose her job. A few weeks modeling for the billionaire playboy and her money worries are over, and she can definitely resist Matt's gorgeous smile and muscular, tattooed arms-it's strictly business.

Matt DeLeo is in trouble. He's found the perfect woman to sell Passion Creek Brewery's newest brew, but if he wants her on his posters, he'll have to keep his hands to himself. His problem? All he wants to do is drink in Piper. It will take more than blackmail for Matt to get his way.
