Ambrose Bierce

Classics Illustrated #11: The Devil's Dictionary (Classics Illustrated Graphic Novels) Ambrose Bierce

Ambrose Bierce's 1911 satire is blended with the surreal and macabre art of Gahan Wilson, creating a funny yet poignant comics adaptation. Switching seamlessly from illustration to full comic panels and back again, Wilson brings his signature dark humor to Bierce's work. "The Devil's Dictionary" is still popular to this day, and has spawned numerous imitations, most recently "The Computer Contradictionary" making it a perfect selection for "Classics Illustrated."
