Get It On!: What It Means to Lead the Way Keni Thomas

"Three words. That's all it took. I was writing a letter home to my mom when the call rang out across the American compound: '*Get it on!*' And just like that, the course of my life changed forever."

Decorated U.S. military veteran-turned-country musician Keni Thomas gives a personal account of his heart-wrenching experiences in the chaotic 1993 Battle of Mogadishu to express a unique set of leadership lessons and inspired view of our greater purpose. *Get It On!* reminds readers "that we, as individuals, do indeed matter, that we are anything but ordinary, fully capable of carrying out life-changing assignments at any level and in any situation. We can make a difference in this world."

Carrying a guitar now rather than a rifle, Keni also shares stories from the stage of the Grand Ole Opry to overseas concerts for active soldiers, always passionate about the battle that "still shapes my thoughts on a daily basis" and eager to encourage the absolute best in those who are willing to answer whatever call God places on their lives.

Reviews:
