## **God Still Speaks: If God is not dumb, Do you hear Him? Joseph Blessing Omosigho**

The necessity of the Spoken Word of God is very vital to our reason for existence. The demand for the Lord's voice in the midst of confusion and fear in this sinful world full of uncertainties is priceless. There are so many voices in the world today on a mission to steal, kill and destroy. Are you serving a living God who speaks, or you are serving a dumb God, who cannot speak? If this God, whom you call your heavenly Father is not dumb, how come you don't hear Him when He speaks? God loves you, but do you love Him enough to strongly desire to hear His voice? If you are truly one of God's sheep, you will be able to hear His voice. His sheep hears His voice. God loves fellowship and loves to have quality fellowship with you. There is no quality fellowship without quality two way communication. God still speaks, He can hear you, but do you hear Him? This book will help you, show you how to hear and enjoy sweet communion with the One and Only true God. The greatest privilege we have as Christians is the ability to hear, understand and obey God. I dare you to strongly desire to hear God's voice. Our God is not dumb, He still speaks today as He did in time past.
